

Mahdi Fathi

Curriculum Vitae

Department of Anesthesiology, Imam Reza Hospital,
Mashhad University of Medical Sciences, Mashhad , Iran

Tel: +989155031236

E-mail:

Mandala_110@yahoo.com

fathim@mums.ac.ir

Date of Birth: 1969/04/06

Marrital Status: Married with Marjan Joudi (Pediatric surgeon) , One son (Alireza)

Address: No 4 , Edalat 12,Edalat Street, Ahmadabad Avenue, Mashhad,Iran

AFFILIATIONS AND MEMBERSHIPS

Mashhad University of Medical Sciences	Faculty member, Associate professor , since 2014
Mashhad University of Medical Sciences	Faculty member, Assistant professor , since 2010
Iran University of Medical Science	Faculty member Assistant professor , 2008- 2010
Mashhad University of Medical Sciences	Director of Training cardiac anesthesia fellowship since 2009
Mashhad University of Medical Sciences	Director of blood circulatory technology , Master degree training , Since 2016
ISSCH (Iranian Scientific Society of Clinical Hypnosis)	Board member since 2000
ISSCH branch in Khorasan province	Head of the branch since 2001
ASH (Asian society of hypnosis)	President of ASH since 2019

SPECIAL AWARDS

The top one in anesthesia graduating examination, Zahedan university of medical sciences ,2002

The top one faculty member at Mashhad university of medical sciences, 2013

The top one faculty member at Mashhad university of medical sciences, 2014

The top one faculty member at Mashhad faculty of medicine, 2015

The top one as researcher in anesthesia department, Mashhad university of medical sciences, 2012

The top one as researcher in anesthesia department, Mashhad university of medical sciences, 2013

The top one as Congress organizer (according to The first international congress on clinical hypnosis),
Mashhad university of medical sciences, 2014

The top one as Congress organizer (according to The world congress on Hypnodontics), Mashhad university of medical sciences, 2016

The top one as Congress organizer (according to The Asian hypnosis congress), Mashhad university of medical sciences, 2020

The top one student as Master degree student, Iran Ministry of Health, 2016

The second top one faculty member at Mashhad university of medical sciences, 2018

Main provider of Cardiac anesthesia educational curriculum, Iran Ministry of Health ,2010

Main founder of educational course as cardiac anesthesia fellowship at Mashhad university of medical sciences,2013

Main founder of educational course as Master degree of Blood circulation technology at Mashhad university of medical sciences,2016

The top lecturer in the first congress on 3rd wave of behavioral treatments, Kashan university of medical sciences, 2015

PATENT REGISTRATION

Patent national registered as : Anti moisture napkin for patients with colostomy and urostomy

Registration Number:77672

Date of Registration:21/11/2012

EDITORIAL BOARD MEMBERSHIPS

Journal of Annals of anesthesia and critical care (<http://anescc.com/>)

Journal of Anesthesiology and pain medicine (www.anesthpain.com)

Indian Journal of psychology

ACADEMIC EXPERIENCES

Since 2013 Senior Lecturer of Medical Professionalism and Medical Ethics
Mashhad University of Medical Sciences, Mashhad, Iran

- Since 2012 Senior Lecturer of Communication skills
Mashhad University of Medical Sciences, Mashhad, Iran
- Since 2012 International Hypnosis Trainer
Heidelberg, Germany (2017); Rottweil, Germany (2018); Bremen, Germany (2012);
Istanbul , Turkey (2015,2017,2018,2019); La Rochell, France(2014); Saint Malo, France (2018);Paris,
France (2015),Montreal, Canada(2018), Vancouver, Canada(2020), Basel, Swiss (2020) Dubai ,EUA
(2018), Gavle, Sweden (2019), Crakow. Poland (2022-Scheduled)
- Since 1997 Senior Lecturer of clinical Hypnosis
Scientific Society of Clinical Hypnosis, Iran
- 2014 - 2015 Senior Lecturer of Mental Preparation against Anxiety
Mashhad Faculty of Dentistry, Iran
- 2007 - 2008 Senior Lecturer of Heart Restoration
Fariman Hospital, Iran
- 2004 - 2005 Senior Lecturer of English for Special Purposes - Medical Module
Mashhad Emdadi Hospital, Iran
- 2010-2018 Senior Lecturer of medical professionalism and ethics – Mashhad faculty of medicine
- Since 2005 Trainer of body language and life skills in Iranian executive organizations
- 2015 Successful completion of the basic instructor course

EDUCATIONS

- Master of Science (MSc)** Medical Education
Mashhad University of Medical Sciences, Iran, 2015
- Short course** Heart transplantation anesthesia
Pitie Salpetrie Hospital, Paris, France, 2009
- Short course** Trans esophageal Echocardiography course
Iran University of Medical Science, 2007
- Short course** Pain Management and Regional Anesthesia course
Iran University of Medical Science, Iran, 2007

Sub specialist	Fellowship of Cardiac Anesthesia Iran University of Medical Science, Tehran, 2004-2006
Specialist (ANES spc.)	Anesthesia .Medical Specialty in Anesthesia Zahedan University of Medical Sciences, Iran, 2001-2004
Doctoral of Medicine (MD)	General practitioner Mashhad University of Medical Sciences, Iran, 1989-1996

CONDUCTED INTERNATIONAL SEMINARS

October 2019	The first Asian hypnosis congress, Mashhad , Iran (24 countries included) scientific secretary and main organizer
October 2017	International congress on Mental training, , Mashhad , Iran (5 countries included) , scientific secretary and main organizer
September 2016	the first world congress on hypnodontics, , Mashhad , Iran (18 countries included) , scientific secretary and main organizer
May 2015	The Third International Congress on hypnosis and related sciences, Iran (14 countries included) scientific secretary and main organizer
May 2013	The Second International Congress on hypnosis and related sciences, , Mashhad , Iran . (8 countries included) scientific secretary and main organizer
April 2012	The first International Congress on hypnosis and related sciences, , Mashhad , Iran .(6 countries included) ,scientific secretary and main organizer

Effectiveness of cognitive hypnotherapy on reducing of anxiety and depression signs in depressed patients, Fatemeh Fatemi Sadr. [Supervised by Dr Mehdi Fathi](#) Islamic Azad University. Karaj Branch. Faculty of Humanities – Department of Guidance and Counseling. 2013.MSc degree thesis.

Comparison of Group Training of Hypnosis Efficiency Versus Cognitive Behavioral Therapy (CBT) in Social Anxiety Disorder. Somayeh Fayyaz. [Supervised by Dr Mehdi Fathi](#) Islamic Azad University. Torbat-e-Jam Branch. Faculty of Humanities – Department of Guidance and Counseling. 2013.MSc degree thesis

Comparison of hypnosis and systematic desensitization in social phobia treatment, Shohreh Taheri. [Supervised by Dr Mehdi Fathi](#) Islamic Azad University. Torbat-e-Jam Branch. Faculty of Humanities – Department of Guidance and Counseling. 2013.MSc degree thesis

Cognitive behavior Hypnosis therapy in social phobia multi subject method. Majid Jalalian sfarpor. [Supervised by Dr Mehdi Fathi as counsellor](#). Ferdowsi University of Mashhad 2013. MSc degree thesis

The Study of Hypnosis Effectiveness in the Treatment of Tension Headaches, Marziyeh Sargoli Shahkhasi. [Supervised by Dr Mehdi Fathi](#) Islamic Azad University Torbat-e-Jam. Branch..2013.MSc degree thesis.

Efficacy of hypnotherapy on quality of life and reducing fasting blood sugar level in diabetic patients. Somayeh Khosravi . [Supervised by Dr Mehdi Fathi](#). Islamic Azad University Quchan Branch.Faculty of Humanities – Department of Guidance and Counseling, July 2013. MSc degree thesis.

Personality style and hypnotizability. Paridikht Bambaiechi. [Supervised by Dr Mehdi Fathi](#). Islamic Azad University. Torbat-e-Jam Branch. Faculty of Humanities – Department of Guidance and Counseling. 2013.MSc degree thesis.

Effectiveness of cognitive hypnotherapy on reducing symptoms of social phobia, exam anxiety and academic achievement of students. Seyed Mahdi Ebrahimi. [Supervised by Dr Mehdi Fathi](#). Islamic Azad University. Quchan Branch.Faculty of Humanities – Department of Guidance and Counseling, July 2013.MSc degree thesis.

2011

Effectiveness of group hypnosis therapy on reducing Test anxiety in students.Aliasghar Bahoush. [Supervised by Dr Mehdi Fathi](#). Islamic Azad University.Torbat-e-Jam Branch.Faculty of Humanities – Department of Guidance and Counseling. 2011.MSc degree thesis

Evaluation of brain signals change during binaural beats,Solmaz Pejman. Supervised by [Dr Mehdi Fathi as counsellor](#). Islamic Azad University. Branch of Mashhad.2011. MSc degree thesis

2010

Comparison of group cognitive behavioral hypnotherapy and group cognitive behavioral therapy on increasing self-esteem of adolescents. Morteza Badeleh. Islamic Azad University. Torbat-e-Jam Branch. Faculty of Humanities Supervised by [Dr Mehdi Fathi as counsellor](#).2010.MSc degree thesis.

Effectiveness of Cognitive Hypnotherapy on sense of coherence & Social Phobia ,Mohammad Arghabaei, Supervised by [Dr Mehdi Fathi as counsellor](#). Ferdowsi University. Faculty of Humanities – Department of Guidance and Counseling, 2010. MSc degree thesis.

RESEARCH PROJECTS

Senior research director at Mashhad University of Medical Sciences. 2008-2019

2019

Management of hirschprung disease education , accompaniment of therapeutic team and parents of patients- [in progress](#)

Comparison the myocardial protection effect of modified Buck Berg Cardioplegia with modified Del Nido in adult patients under Mitral heart valve surgery- [in progress](#)

Effectiveness of hypnosis by mental imagination in reducing anxiety and labor pain of in women primipara

The association between STS (society of thoracic surgeon) risk score and post operative delirium in ICU in off pump coronary artery bypass graft surgery- [in progress](#)

Effect of self-hypnosis on fear and pain in normal delivery in primiparous women- [in progress](#)

Evaluation of the effectiveness of self-hypnosis in pain relief during labor in pregnant women- [in progress](#)

2018

The comparison of patient's kidney function based on KDIGO criteria in coronary artery bypass graft surgery in On-pump and Off-pump methods in patients with low cardiac output syndrome after surgery

Designing and implementing a simulator of operation room environment by video game and comparing learners learning with traditional teaching - [in progress](#)

Evaluating of pheniramin maleat effect on cough induced by opium in addicts- [in progress](#)

Evaluation of Esmolol effect on hemodynamic changes durin induction of anesthesia in heart valve replacement. - [in progress](#)

Comparative Study on the Effect of prime sulotion included Dexamethasone vs Methylprednisone on incidence of Postoperative delirium in Patients with Open Heart Surgery by Cardio Pulmonary Bypass circuit- [in progress](#)

2017

comparison the effect of local anesthetic versus hypnosis on the pain during suturing in patients referred to emergency departments in Mashhad. 2017-in progress.

comparison evaluation of the effect of Hypnosis, Nitrouse Oxide and conventional behavior shaping in anxiety decreasing of school age patients during local anesthesia and tooth extraction. 2017-in progress.

The comparison between on pump and off-pump coronary artery bypass graft surgery in high risk patients and incidence of acute kidney injury based on RIFLE criteria. 2017-in progress.

Evaluation of the hypnosis effect on accelerating wound healing in oral soft tissue ulcers due to biopsy: Randomized Clinical Trial. 2017

Introduction of psychologic flexibility patterns in chronic pain charactrias,mediator effects of belonging patterns and emotional modulating approaches

2016

Evaluation of hypnosis on anxiety and pain reducing in burn patients. 2016-2017.

Evaluating the efficiency of hypoanalgesia on surgical removal of mandibular third molar 2016-2017.

Survey on the effectiveness of communication skills training a for nurses on reducing patients, preoperative anxiety and enhancement of patients, satisfaction. 2015-2016.

2015

Introduction of psychologic flexibility patterns in chronic pain charactrias mediator effects of belonging patterns and emotional modulating approaches. 2015-2017.

The effect of dexmedetomidine on the heart arrhythmia during and after coronary artery bypass surgery without pump. 2015-2017.

Comparison between the two groups receiving anesthesia with controlled ventilation or spontaneous ventilation in rigid bronchoscopy in patients with foreign body aspiration in Sheikh and Ghaem hospital 2015-2017.

Effectiveness Evaluation of valve surgery in intra vascular injection drug patients with Infective endocarditis referring to Mashhad University of Medical Sciences cardiac surgery wards: retrospective study. 2015-2017.

2014

Comparison of two methods of teaching CPR (model / problem solving and lecture/ videos) on knowledge and practice of radiologic technology students. 2014-2016.

The effectiveness of watching a film about operation room environment in reducing patients' anxiety. 2014-2015.

The evaluation of trained anesthesia residents and fellowship success in internal jugular central venous cannulation through sonographic guide versus anatomic landmark basis. 2014-2015.

Evaluation of hypnosis effect on post-operative analgesia in inguinal hernia. 2014-2016.

2013

Comparison of combination the effect between Ringer lactate- Normal saline with Ringer-Normal saline on acid-base balance serum in pancreatic cancer surgery. 2013-2015.

Evaluation of Evidence Based Medicine using by Mashhad University of Medical Science faculty members. 2013-2014.

Comparison of intraoperative blood pressure and heart rate changes, postoperative nausea, vomiting and pain in two methods of epidural and general anesthesia in laparoscopic cholecystectomy. 2013-2015.

Evaluation of the hypnosis effect on post-operative analgesia following laparoscopic cholecystectomy. 2013-2015.

Evaluation of frequency and Factors affecting the incidence of sore throat following G.A with L.M.A. 2013-2015.

Comparison propofol versus Etomidate in RSI of Non surgical patients. 2013-2015.

Evaluation of prophylactic effect of platelet-rich fibrin glue on reducing hemorrhage after coronary artery bypass grafting

Comparison of blood loss in inter-vertebral disc herniation surgeries using two methods of controlled hypotension and Aprotinin

2012

Comparison of Fluid Management with ringer versus Haemaccel Serum on changing in blood lactate levels before and after appendectomy. 2012-2014.

Evaluation of the incidence of delirium after off-pump coronary artery bypass surgery and its etiologic factors. 2012-2013.

Comparison of result between constitutional intestinal suture and fibrin glue in mice. 2012-2014.

Comparison of prooxidant-antioxidant balance in patients who candidated for off pump CABG who refer to cardiac surgery department. 2012-2013.

Evaluation of Paracetamol and Diclofenac Sodium in need of narcotic administration for pain relief in patients underwent Gastrectomy. 2012-2014.

Evaluation of probable factors which effect on low back pain after spinal anesthesia in lower extremity surgeries 2012-2013

2011

Comparison of blood loss in inter-vertebral disc herniation surgeries using two methods of controlled hypotension and Aprotinin. 2011-2013.

Comparision of effect of surgicel, burned cotton on coagulation and compare with hemostasis. 2011-2013.

Evaluation of Amino Acid Infusion Effect on Hypothermia during General Anesthesia In Hypospadias surgery In Pediatrics between 2 - 6 years old. 2011-2013.

Comparive study of effects and side effects of herniorraphy through a new approach as umbilical single port with open herniotomy in young girls . 2011-2013.

Comparison of the effect of acetazolamide and paracetamol on referred postoperative pain after laparoscopic cholecystectomy. 2011-2013.

Comparison of shoulder pain after injection of Intrapleural Bupivacaine with Intraperitoneal Bupivacaine after laparoscopic cholecystectomy surgery

Comparison of two methods of teaching CPR (model / problem solving and lecture/ videos) on knowledge and practice of radiologic technology students

2010

Pathologic assessment of ganglion cells in leveling biopsies above dentate line in adults with hemorrhoid and anal fissure diseases that needing surgery. 2010-2012.

The evaluation of correlation between the time passed from storing packed red blood cells (PRBC) using in pediatric cardiac surgery(congenital diseases) and increasing of serum lactate during & after surgery. 2010-2012.

2009

Evaluation of cardiac out put and cardiac index during epidural anesthesia in orthopedic surgeries 2009-2010

Comparison of blood pressure and vascular resistance changes during spinal anesthesia by lidocaine and Bupivacaeine. 2009-2010

Evaluation of blood pressure and LVEDP during epidural anesthesia in orthopedic surgeries .2009-2010

Comparison of ringer lactate and hetastarch solutions effects on cardiac out put after spinal anesthesia .2009

Comparison of ringer lactate and hetastarch solutions effects on cardiac out put after Epidural anesthesia .2009

Evaluation of adding Dexamethasone to Fentanyl in intravenous infusion pump in postoperative pain for abdominal surgeries.2009

2008

A clinical investigation on the success rate of hypnotism in inducing local anesthesia in Endodontics (Root canal therapy). 2008-2010.

WORKSHOP TRAINING AS MAIN TRAINER

Basic Hypnotherapy ,Mashhad branch of ISSCH, Medical physicians and psychologists.Summer 2013

Basic Hypnotherapy ,Mashhad branch of ISSCH, Medical physicians and psychologists, Fall 2013

Advanced Hypnotherapy ,Mashhad branch of ISSCH, Medical physicians and psychologists ,Winter 2013

Basic Hypnotherapy ,Mashhad branch of ISSCH, Medical physicians and psychologists.Summer 2014

Basic Hypnotherapy ,Mashhad branch of ISSCH, Medical physicians and psychologists, Fall 2014

WORKSHOPS ATTENDED AS TRAINEE

Peer review, Mashhad university of medical sciences. Winter 2010

Writing research articles, Mashhad university of medical sciences. Winter 2010

Feedback in learning, Mashhad university of medical sciences. Summer 2011

Communication skills, Mashhad university of medical sciences. Summer 2011

Communication skills between teacher and student. Mashhad university of medical sciences . 2012

Lesson planning, Mashhad university of medical sciences. Fall 2011

Evidence based medicine Mashhad university of medical sciences. Winter 2011

Methodology of research, Mashhad university of medical sciences. Winter 2011

Clinical Education, Mashhad university of medical sciences. Winter 2011

Web library (End note, Clinical key , ISI, Scopus, Ovid) , Mashhad university of medical sciences . Winter 2011

Multiple choice Question , Mashhad university of medical sciences. 2012

OSCE , Examination in medical education Mashhad university of medical sciences . 2012

Principles of lecturing, Mashhad university of medical sciences. Fall 2013

Internal and external evaluation of medical education, Mashhad university of medical sciences. 2012

Evaluation of health industry , Mashhad university of medical sciences . 2012

Scientific information management, Mashhad university of medical sciences. 2012

New approaches to clinical evaluation, Mashhad university of medical sciences. 2012

Research in science, Mashhad university of medical sciences . 2012

Self assessment. Mashhad university of medical sciences . 2012

Approaches to clinical education . Mashhad university of medical sciences . 2012

ACTIVITIES AS REVIWER

A) Reviewer of academic books

Anesthesia book entitled" Perfusion", Mashhad university of medical sciences .2015

Anesthesia book entitled"CPR", Mashhad university of medical sciences ,2016

Anesthesia book entitled"The first step in anesthesia" Mashhad university of medical sciences,2015

B) Reviewer of academic articles

Review of 7 articles in "International journal of pediatrics" , ISI indexed

Review of 20 articles in Journal of "Anesthesiology and pain medicine", PUBMED Indexed

Review of 1 articles in Journal of "Iran university of medical sciences"

Review of 22 articles in "Zahedan journal of research medical sciences"

Review of 3 articles in Journal of "Mashhad medical faculty of medicine"

C) Reviewer of academic research projects

Review of 540 research project in Azad university, pharmacology faculty

Review of 30 research project in Mashhad university of medical sciences

Review of 8 research project in Mashhad faculty of medicine, research committee

Review of 1 research project in students research center, Mashhad university of medical sciences

EXECUTIVE EXPERIENCES

Head of providing team of cardiac anesthesia Curriculum , Iran Ministry of health , 2012

Head of educational course , Fellowship of cardiac anesthesia,Since 2013

Founder and Runner of educational course , Fellowship of cardiac anesthesia, 2013

Member of research committee, Faculty of medicine Mashhad university of medical sciences . 2014-2018

Member of oncological surgery research center, Mashhad university of medical sciences . 2014-2017

Main organizer and scientific secretary of " The First international congress on hypnosis", Mashhad,2012

Main organizer and scientific secretary of " The Second international congress on hypnosis", Mashhad,2013

Main organizer and scientific secretary of " The 3rd international congress on hypnosis", Tehran,2014

Main organizer and scientific secretary of " The First world congress on hypnodontics", Mashhad,2015

Main organizer and scientific secretary of " The First international congress on mental training", Mashhad,2017

Main organizer and scientific secretary of " The First Asian hypnosis congress ", Mashhad,2019

Chairman of panel entitled" Autonomy ", The second national medical Ethics congress.2013

Member of research committee at medical ethics department, Mashhad faculty of medicine, 2014-2017

Member of examination committee at medical ethics department, Mashhad faculty of medicine,2014-2017

Head of operation room ,Montaserieh hospital,Mashhad university of medical sciences , 2014-2016

Head of anesthesia department ,Montaserieh hospital,Mashhad university of medical sciences , 2014-2016

Deputy of anesthesia department , Mashhad university of medical sciences , 2013-2015

Member and trainer of semiology course, Mashhad faculty of medicine,2013-2015

Co-founder of Neuro feedback , Neurobehavioral research center Tehran , Iran .2010

Member of executive team ,The first congress on regional anesthesia , Tehran , Iran .2011

Member of Ethics committee ,Rasoul Akram hospital , Tehran , Iran 2008-2010

Member of research committee ,Rasoul Akram hospital , Tehran , Iran 2008-2010

Member of Etichs department, Mashhad university of medical sciences , 2013-2016

Head of research committee, Anesthesia department, Mashhad university of medical sciences , 2014-2016

Head of scientific committee , Operation room ,Fariman Hospital, 2007-2009

Scientific manager of workshop entitled "Brain signals in hypnosis" ,The first international congress on hypnosis,Mashhad, Iran 2012

Scientific manager of workshop entitled "Techniques of hypnosis" ,The first international congress on hypnosis,Mashhad, Iran 2012

Scientific manager of workshop entitled "Hypnotic body language" ,The first international congress on hypnosis,Mashhad, Iran 2012

Scientific manager of workshop entitled "Suicide" ,The first international congress on hypnosis,Mashhad, Iran 2012

Scientific manager of workshop entitled " Hypnotherapy for addictions" ,The first international congress on hypnosis,Mashhad, Iran 2012

Scientific manager of workshop entitled "Hypnosis for couple therapy" ,The first international congress on hypnosis,Mashhad, Iran 2012

Scientific manager of workshop entitled "Psychotherapy via Hypnosis " ,The first international congress on hypnosis,Mashhad, Iran 2012

Scientific manager of workshop entitled "Neuro linguistic programming" ,The first international congress on hypnosis,Mashhad, Iran 2012

Scientific manager of workshop entitled "Neurofeedback in psychiatric disorders" ,Congress on creative mind",Mashhad, Iran 2013

Scientific manager of workshop entitled "Improvement of mental health" ,Congress on creative mind",Mashhad, Iran 2013

Scientific manager of workshop entitled "Creative techniques for addiction treatment" ,Congress on creative mind",Mashhad, Iran 2013

Scientific manager of workshop entitled "Creative techniques in medical approaches" ,Congress on creative mind",Mashhad, Iran 2013

Scientific manager of workshop entitled "Creative techniques for medical education" ,Congress on creative mind",Mashhad, Iran 2013

Scientific manager of workshop entitled "Creative techniques for addiction treatment" ,Congress on creative mind",Mashhad, Iran 2013

Scientific manager of workshop entitled "Creative techniques for addiction treatment" ,Congress on creative mind",Mashhad, Iran 2013

Cooperation with Novel potentials institute, Mashhad university of medical sciences , 2014-2016

Expert for medical errors review, Medical Council, Mashhad,Iran ,since 2010

Cooperation with Educational development organization , Mashhad university of medical sciences , 2014-2016

Head of Khorasan Branch of Iranian scientific society of clinical hypnosis, since 2002 to present

Board member and Deputy of Iranian scientific society of clinical hypnosis, since 2004 to present

Scientific secretary of " Creation in medical education", Mashhad university of medical sciences , 2013

Head of Consulting committee for providing rules of " Medical medical residents ethics" , Mashhad university of medical sciences . 2014

Trainer of Medical Ethics for Medical residents , Mashhad university of medical sciences 2010-2013

Trainer of communication skills for Medical residents , Mashhad university of medical sciences 2010-2013

Head of anesthesia department , Kamyab hospital , Mashhad university of medical sciences , 2007-2009

Scientific secretary of "Hypnoanalgesia conference" , Mashhad Medical council, 2015

Member of examination committee ,anesthesia department, Mashhad university of medical sciences ,2013-2015

Member of examination committee ,anesthesia department, Mashhad university of medical sciences ,2013-2015

Head of consulting faculties , Mashhad university of medical sciences ,2014-2018

Head of Education committee of Iranian scientific society of clinical hypnosis,2007 -2010

Head of internal evaluation of anesthesia department Mashhad university of medical sciences,2011-2012

Providing member of anesthesia residents Log book, Mashhad university of medical sciences , 2012

Responsible for founding of lesson plan entitled" Thinking , creation and management",Mashhad faculty of medicine . 2012

Head of anesthesia department, Kamyab hospital, 2005

Counsellor in medical errors, Mashhad medical council , since 2013 to present

Executive member of "the first international congress on regional anesthesia", 2010

Member of Ethical committee, Pharmacology faculty, Azad university, Tehran Iran 2009-2010

PROVIDED MEDICAL COURSE AND LESSON PLAN

A) COURSE PLAN

Cardiac anesthesia

TEE in cardiac anesthesia

Diagnostic approaches in cardiac surgery

Ethical considerations for new medical residents

Working by intra aortic ballon pump

Heart transplant anesthesia

Airway management

Professional ethics
Pain control
Central venous access

B) LESSON PLAN

Cardiac tamponade
Double lumen tube
Renal management in ICU
Mediastinal bleeding
Myocardial protection in cardiac surgery
Respiratory management
Ethics in medical researches
Euthanasia
Peripheral venous access
Considerations in end stage of life
Medical ethics (patient – physician relationship)
Anesthesia for laparoscopic surgery

MISCELLANEOUS SKILLS

- Latest H index on the base of google scholar
<http://scholar.google.com/citations?user=wxQ71tQAAAAJ&hl=en>
- Hypnoanesthesia
- Hypnoanalgesia
- Hypnotherapy of chronic pain
- More than 300 Surgeries have done via hypnosis without anesthetic drugs included (All video recorded)

The first and only uterine curettage by Hypnosis in the world.2015

The first hand and only hand device removal by Hypnosis in the world .2017

The first , second and third anterior cruciate ligament reconstruction by Hypnosis in the world .2017

The first and only bilateral blepharoplasty by Hypnosis in the world.2018

- Hypnosis in child birthing (painless labor by hypnosis , video recorded).
